

Washington Hydrologic Society Presents:

**Upper Watershed Hydrology Field Trip
Ahtanum River Watershed (Eastern Cascades)**

Saturday July 20, 9:00 AM to 6:00 PM

Charles Chesney

Natural Resources Scientist

Washington Department of Natural Resources

OVERVIEW

9:00 meet in Yakima for introduction to Yakima Basin Hydrology

10:00 travel to upper Ahtanum watershed by van

11:00 – 5:00 field visits to study sites for characterization of forest management practices and their relation to upper watershed hydrology processes (includes crossing shallow streams on foot).
We will be estimating hydrologic processes parameters, and prizes will be awarded for the best estimates!

6:00 arrive back in Yakima for beers at Yakima Craft Brewery (optional)

7:30 dinner at Taj Palace in Yakima (optional)

Technical papers providing background on the upper watershed hydrologic processes that we will be viewing will be posted on the Washington Hydrologic Society website by July 5.

COST

\$15 per person (due at the time of the field trip), covers van transport

WHAT TO BRING

- sack lunch, snacks and water
- clothing in layers for hot and cooler weather variations
- foot wear for crossing streams and a change of shoes

RESERVATIONS DUE BY JULY 12

To reserve a space send an email to Llyn Doremus at llynadele@gmail.com. A confirmation of your space will be sent on July 15.

If you are interested in coordinating for camping in the Yakima Area– notify Llyn by July 5, so that reservations can be arranged. If there is interest, wine tasting on Sunday is another option.
